

Q	Marking instructions	AO	Marks	Typical solution
2	Ticks correct box.	1.1b	B1	 <p>A Cartesian coordinate system with a vertical y-axis and a horizontal x-axis. The origin is labeled 'O'. The y-axis has tick marks at 1 and -1. The x-axis has a tick mark at 360°. A smooth curve starts at the point (0, 1), passes through the x-axis, and ends at the point (360, -1). The curve is concave down in the first quadrant and concave up in the third quadrant.</p>
