The graph of $y = f(x)$ is shown below.

One of the four equations listed below is the equation of the graph $y = f(x)$.
Identify which one is the correct equation of the graph.

Tick (✓) **one** box.

[1 mark]

$$y = |x + 2| + 3$$

$$y = |x + 2| - 3$$

$$y = |x - 2| + 3$$

$$y = |x - 2| - 3$$
