

Question		Answer	Marks	AO	Guidance
11	(a)		B1	2.2b	
			[1]		
11	(b)	(weak) positive association or (weak) positive correlation	B1	1.1	allow eg as cost of electricity increases, cost of gas increases oe
			[1]		
11	(c)	0.09195 correctly compared with 0.05 or 0.025 only 0.09195 > 0.025 insufficient evidence [at the 5% level] to suggest any association between cost of gas and cost of electricity isw	M1 A1 A1	3.4 1.1 2.2b	allow eg “ <i>p</i> -value > 0.05” allow <i>p</i> -value > 0.025 A0 if refers to correlation rather than association; dependent on award of previous A1
			[3]
